

Little Music Explorers Course

“Sounds All Around”

For toddlers aged **3-5 years old**

10 weeks programme

Encouraging creativity and expression
through music and arts and crafts.

Developing essential motor and social skills.

From shaking instruments to making them, singing songs to painting sounds — your little ones will **explore** the magical world of music through rhythm, creativity, and hands-on art! 🎸✂️🎵

Designed to spark curiosity and creativity, this hands-on programme lets kids explore music through movement, rhythm, and art — all guided by **Montessori methods** that nurture independence and imagination. 🎵✨

They'll sing, dance, build instruments, and discover the joy of creating — **all at their own pace.** 🎵🎨
